

The Friends of Wyman Park Dell is a volunteer organization established in 1983 and dedicated to improving and activating the Dell. Our mission is to engage our community in the preservation, protection and promotion of this distinctive, historic Olmsted park.

Throughout the year, we organize clean ups, maintenance days, workshops and community events, like annual movies in the park and Solstice in the Dell. We also fundraise to support implementation of our park master plan, including improvements like new playground, informational signs, trash cans, and plantings.

What to expect as a Board Member:

- Members of the FWPD Board of Directors are elected to serve two-year terms.
- Commit, on average, 5-10 hours per month to Dell-related projects and meetings
- Serve on at least one board committee (maintenance, membership & development, programs & marketing)
- Attend board meetings held virtually every other month (Tuesdays at 7 pm)
- Identify and recruit potential board members and volunteers as needed
- Develop a working knowledge of the park and our long term plans/goals
- Attend FWPD events, to the extent feasible
- Support the organization financially with an annual donation of at least \$25.00.

Directors are expected to attend board meetings regularly and to support activities or events according to their interests. We typically meet six times a year in addition to our annual public meeting, which takes place in the spring. Meeting dates for the 2024 term are April 16, June 18, August 20, October 15, December 17, and February 18, 2025. Meetings are held at 7 pm.
